Want to book a party with sleigh rides as the main attraction?
Gather your group together by a warm fire — tables and benches are provided for the food and drinks that you provide — and we will take you out on the trails in one of our private sleighs, two by two! Call for rates and more information.

- Sleigh Ride Terms: Advanced Reservations with full payment is required. If snow conditions are inadequate for the sleigh, a one hour carriage ride in one of our wedding carriages (larger wagon for groups) shall be substituted instead. If we cancel due to dangerously inclement weather, an alternate date shall be reserved unless otherwise negotiated at time of booking.

- Please Note: Southern New England snowfall is fickle. We cannot guarantee sleigh ride conditions. If you are not willing to take an alternative carriage ride in the event of inadequate snow cover, do not book us far in advance.

- Refunds will NOT be provided.

- All sleigh ride Gift Certificates are subject to the same terms & conditions.
